# Myecon compensation plan 2020 pdf format online

Thank you. And in this regard, I can't see how myEcon is any different. Thirdly, there appears to be a strong focus on hiring. On your third personally enrolled here is what happens. The 2 people that are currently running the company are CEO/COO Larry Gates, and CFO Carliss Curry. The first person that you enroll is called your "base shop". It also tells us that the owners are proud of their company and offer a trust factor as well. Executive Vice President (EVP) is the second rank in the compensation plan structure. The starting cost to join is \$8 per month. Credit Monitoring - This is exactly what it is named. All you have to do, to put things in context, is make 10 transactions a month and you're at \$1,000 per month. 2) Dream Team Residuals When your team members pay their monthly membership, you earn between \$1-\$7 depending on your rank per month on all active members of your downline. So, basically, when you first start out you are going to earn \$10 from each of your first 2 signups. I believe you receive cashback points when members enter, which can also be redeemed. Path Assure - This is like AAA, a roadside assistance service. MyEcon works off of the unilevel MLM pay plan structure but of course with their own twist and turns when it comes to how you can earn commissions. MyEcon is accredited on the BBB with a rating of A+. Your first recruited member will be your qualifying member and you will still earn on that person. The exact address is 3750 Hewatt Court Suite E Snellville, GA 30039 United States. The sweet spot being after you enroll your first members. Another great article: Arbonne Compensation Plan Review Compensation Plan Charts Below are some charts and images that go into visual detail about some of the pay structure details that were discussed throughout my review. This goes a long way in evaluating how credible an MLM business is whether the actual retail consumers are getting real value from the goods. This is not an opportunity I would suggest, however. Now if they were a new company I would be very leery about the commission that they are offering because it is actually as lucrative as it is innovative. What this means that for every "First 2" personally enrolled members that you personally sponsored 3rd person refers you will earn \$25! Another great article: Isagenix Compensation Plan Review Commission Plan Charts and Breakdown In this section, I will provide more detailed information about the MyEcon compensation plan. MyEcon works in the unilevel MLM pay schedule system, but it is a twist and turns, of course, when it comes to how you can earn commissions. They cover this in other ways within the companies pay plan. How Does The MyEcon Compensation Plan Work? This is common among MLM companies, I see statements, with very little facts, of how great their products are. MyEcon short for "My Economy" and is the acronym that the company founder came up with that symbolizes a person's own economy. And corporations are preying on individuals that might seem desperate or are in a financial situation that is threatened. I know that most of you that are here right now want to know how much you can earn with MyEcon, but this article wouldn't be a full review if I didn't cover the company and the product details as well. This is paid in addition to the Dream Team residuals. 5) Base Shop Overrides On all Income Shifting Membership sales from your downline (Base Shop) and the regular enrollment sales of \$99.95, you earn \$90. These are just some of the highlights from the comp plan. MyEcon Review: Conclusion MyEcon is not, from what I can see, a scam. The company now seems to be promoted to help you make more money and to help you improve your finances. When a member enrolls someone for \$49.95, your commission will now be \$50 (once qualified) and is paid out the following week. Or if you are just looking for something to start out making money online with. The Rundown So, here is what happens. As an EVP, you earn \$5 - \$10 of residual income in your organization/team. For your first 2 personally sponsored referrals you will earn \$10 from each one up front, or what is called a fast start bonus in most other MLM Companies. I hope I answered all, or hopefully most of the questions you had about the MyEcon opportunity. You also get paid for any services your personal referrals and team makes through the various portals that MyEcon has to offer the Online Mall, and Credit Monitoring service including all the other paid services. I have to remind people of what a real pyramid structure is in each multi-level marketing analysis that I do, and myEcon is not one of them. You become EVP after enrolling 2 members or selling 200 worth of personal product sales. It provides many video training modules and also includes pre-written template letters to send to the various credit agencies to help remove bad credit marks from your credit report. Cash Flow Manager - This is the app that was mentioned before where it helps you keep track of your receipts and driving mileage for you. Book Travel - Simply put, this is an employee portal to the priceline.com website to help find the best deals in air travel, car rentals, cruises, and hotel costs. Health & Nutrition - These products are additional costs. An offer that is both generic and low cost! This is going to accomplish a few things: Finding more people that are interested in making more money from home. Because it's generic you will have a wider audience of people that are going to be interested. Less of a psychological cost barrier because it is at a lower cost. There is also more to it, but that is the main starting point that I wanted to cover with you about the changes that were made to the comp plan. It will cost you \$24 every 6 months to use it. With all the digging that I did, and after reviewing the products and compensation plan with the marketing message, MyEcon is NOT a scam or pyramid scheme. The main focus for earning the most money through the MyEcon commission plan is through referrals and team growth. This is a bit complicated to explain, so I am going to refer you to the video that I posted above. MyEcon offers the members: A free marketing website, its the company branded website and is coded to you with your own personal link. Marketing Training Leadership Support MyEcon EVP (you become EVP after you enroll 2 members or sell 200 worth of personal product sales) associates earn 100% on personal sales and up to 85% on team sales with unlimited weekly bonuses and residual income when you qualify. Smart Credit Repair System - This is a training website that helps you repair your credit. I feel that this is a good business opportunity to pursue. The residual income commissions also will depend on what rank you are at. In this section of the review, we are going to break down how the MyEcon compensation plan works and how you can make money with it. With the MyEcon compensation package, there are at least 5 ways of earning money. 1) Personal Sales For each income-shifting membership sale that you make personally after sponsoring your first membership, you will receive \$100. For every person that your 1st person enrolls, you will earn 5% of their sales. The starting cost of participating is \$8 per month. Credit Tracking - This is exactly what it is called. In this myEcon review, I will give you my honest opinion on whether the program can boost your financial status or it is just another fraud. Too many individuals are flocking to services that give a chance to make money. It offers several video training modules and also provides pre-written sample letters to help delete bad credit marks from your credit report you plan on sending to the different credit agencies. Cash Flow Manager - This is the app listed above that allows you to keep track of your receipts and drive your miles. It has both great up-front commission potential and also long-term great residual income potential. When you become a Marketing Officer, the income-shifting membership is always 'what you get.' It's up to you what you plan to do. This service monitors your credit score but it comes with a price. To get started with MyEcon, it is \$19.95 the first month and then \$34.95 a month starting in month 2. Affiliates receive deep and large levels of commissions for hiring other affiliates. Like I mentioned in the first part of my review, to further grow your business to the next level you are going to want some type of front-end offer to gather prospects and leads. Here is a list of all the products that MyEcon Provides: (it is important to note that not all of these are included within your membership, most will have an additional cost to use these services and tools) ID Defender - This service has an additional cost to it. The company's vision was for people to take care of their own economy just like theirs is taken care of by the government and companies. They have a commission structure that is very similar to another Network Marketing company called Motor Club of America (MCA). So with that said, I am going to cover all of the information about the company, the products, and the compensation plan. This kicks in after 1 month of an Income Shifting Membership. 3) Product Sales In addition to the company's main products, you can also earn on other services such as Travel, roadside service, and online cashback shopping. 4) Retention Bonus You earn a \$45 retention bonus each time 3 personal or Base Shop Marketing Director/Income Shifting Membership sales make their 1st renewal payment within 31 days. So, as I mentioned in the breakdown section, most people are attracted to this comp plan because of the commission model I'm about to explain. Your 3rd personally recruited member and on is where you want to be, and as soon as possible! When you become an EVP (Executive Vice President) you will earn \$35 for every personal referral you bring on AND up to \$25 for every new (MD) Marketing Director that joins your organization/team. Is MyEcon A Scam or Pyramid Scheme? When dealing with any program that you can make money with, we like to see who owns it because it gives us the ability to look at their background and experience.
